

OUR GOAL IS TO MAKE THE PROCESS AS EASY AS POSSIBLE

Our experts are on hand every step of the way to make the process of buying and installing EVCP solutions smooth.

Start the process today. Call 0330 058 7144
or email customerservice@sevadis.com

It all starts with a phone call... Talk to our team of experts to discuss your requirements

We complete a site survey to assess how and where the charge points will be installed

We get in touch with a quote detailing the costs involved in your particular project

You confirm your order and, where appropriate, the grant application is submitted

We deliver and install your chargers at a time that best suits your project schedule
