# Henry's Walk

Broadhaven Homes, Pensnett

### **A Broadhaven Homes development**

Broadhaven Homes is one of the leading house builders in the West Midlands. Supported by a thriving civil engineering business of over 38 years, Broadhaven Homes have set their own high standards in terms of design and build. Henry's Walk is one of their latest new builds.

### **A development of 32 new homes**

Henry's Walk is a self contained development of 2, 3 and 4 bedroom homes. Each property has ample parking and its own smart electric vehicle charge point. A total of 32 MaxiChargers were installed across the development, in a combination of wall mounted units and floor standing pedestals. Affordable, versatile and easy to install, the MaxiCharger was the perfect solution to fulfill Part S of the building regulations.

- ✓ EV charging facilities for 32 homes
- ✓ 7.4 kW sockets for fast charging
- ✓ Wall mounted and floor standing solutions
- ✓ Industry leading product reliability
